MONTHLY STATISTICS JUNE 2024

It is the legal right of men, women or children to enter a country with or without paperwork, if they intend to apply for asylum. Pushbacks are the illegal practice of a state preventing them from doing so by stopping them entering its territory, or forcing them back across a border or into the waters of another state. The Greek government has hugely increased illegal pushbacks of refugees since March 2020, with some victims stating they have been beaten and robbed by Greek officials before being forced back across borders, or into the sea.
