

AEGEAN BOAT REPORT

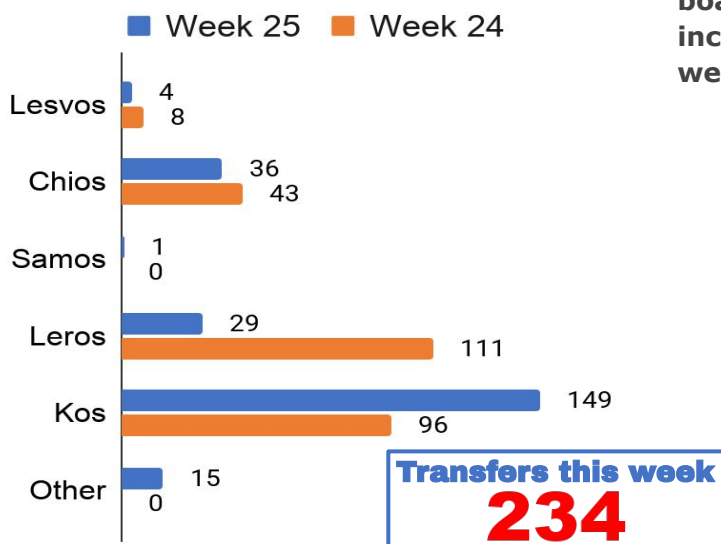

WEEKLY STATISTICS JUN 15 - JUN 21

Boats Stopped TCG/Police

19 BOATS
286 PEOPLE

A total of 25 boats started their journey towards the Greek Aegean Islands, carrying 444 people. Of these, 19 boats were stopped/pushed back, while 158 people were registered on the Greek islands. So far this year, 260 boats carrying 5.939 people have been picked up by the Turkish Coast Guard and police. In the same period, 3.672 people have been registered as arriving on the Greek islands on 132 boats. These numbers should have been significantly higher if not for pushbacks carried out by the Hellenic Coast Guard.

Transfers to Mainland

Transfers to mainland have decreased 9.3% compared to last week, official population on the islands is 3.886 people. In the last 30 days population on the islands has increased by 381 people. This increase is largely driven by continued transfers from Crete to the islands.

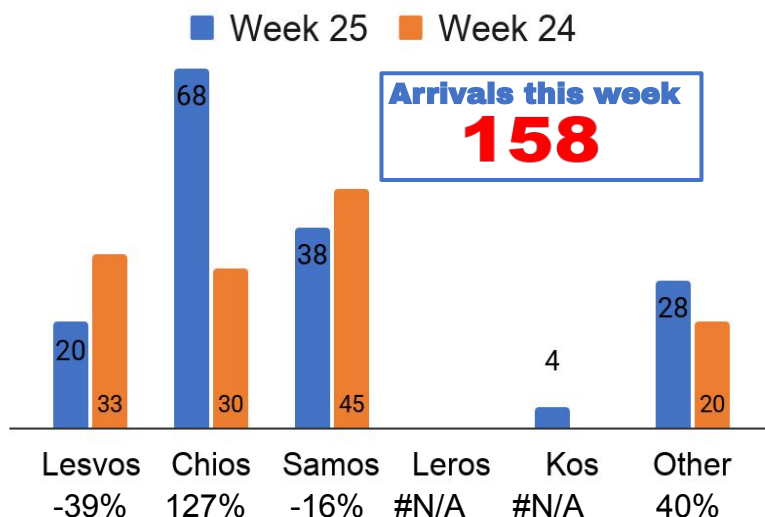

Without sustained relocations, population levels are likely to rise again as arrivals continue. Transfers remain the only effective measure to reduce pressure on the islands.

Population on the Aegean islands
